

WHY USE REALISE FOR YOUR EVENT APPRENTICESHIP?

REALISE

www.realise.me.uk

Events is our core

- Everyone who delivers for Realise can offer 20+ years of events experience coupled with professional coaching and training qualifications.
- We only work with the events industry.
- We only offer the events apprenticeship.

We are leading the way

- Our CEO was heavily involved with the industry's trailblazer group - we helped write the Event Apprenticeship Standard.
- We created the first Event Apprenticeship Programme.
- We continually evolve the course to meet industry needs. Our revised programme content now incorporates the world of virtual and hybrid events.

We excel at delivering training

- We provide varied and specialist workshops which deliver essential knowledge and skills backed with practical industry experience. All learning has immediate applicability!
- Our experienced industry coaches support and mentor apprentices throughout the programme.
- We deliver a blended learning approach: face to face, online, coaching and mentoring.
- We offer ongoing career advice and mentoring in the world of events.

Our proven success

- Every Realise events apprentice who reaches the gateway stage has passed (to date).
- 70% achieve the highest grades of Merit or Distinction!
- 1 in 4 employers who have taken on one events apprentice with Realise are already implementing another.
- Many employers have seen the value of the Realise approach and now use us for a wide variety of other training and development programmes.
